

Seed online college prep network

BECOME A FALL TEEN SEED AMBASSADOR

Are you interested in becoming an Ambassador? This position within our Seed Online College Prep Network is a micro internship that allows you to promote the Seeds of Fortune Inc. brand to expand our Seeds of Fortune membership to ambitious young women of color and guide your peers through a special and unique pre-college experience through hosting workshops. Ambassadors can use their leadership skills in future internships, on their resume, future college campus and more. Participants are awarded with a Stipend throughout the Semester.

Eligibility:

- Apply by August 1, 2022
- Job Period: Aug 12, 2022 - Dec 2, 2022
- Be in the U.S. equivalent of 11th-12th grades
- Completed one of Seeds of Fortune Inc.'s signature programs
- Possess strong leadership skills
- Have knowledge of and passion for Seeds of Fortune mission

Responsibilities:

- Conduct mini College prep and scholarship workshop to your community
- Create a welcoming community for peers in your school and community to learn about College prep and Scholarship using the Seed Methods
- Post about our products and program services in person and online
- Create, share and respond to online reviews
- Become a spokesperson for our company
- Acquire new users to our platform
- Network and build trusting relationships with potential Seeds of Fortune Inc. HS Members
- Thoroughly understand our products and services to inform potential Seeds of Fortune Inc. HS Members
- Use word-of-mouth marketing techniques to refer our company to friends, community, peers, and more

*"I enjoyed being a teen lead because of the enticing conversations I was able to lead about our unique college process."
— Nayelis Corcino'20*

Perks:

- Resume-boosting experience
- Access to exclusive Seeds of Fortune events and resources such as College Meet & Greet
- Provide feedback on sessions and modules
- Opportunity to obtain leadership and presentation skills
- Professional development resources
